

## Entry Rules

The objective of this showcase is to allow owners/breeders of sled dog to show their dogs in an environment where judging is based on five specific areas:

Body structure

Gait

Temperament

Conditioning

Overall Impression

Judges have been selected on their experience as mushers and breeders of Siberian Huskies. This show is not based on a CKC/AKC format. Each dog will be judged by all three judges and a score card filled out for each.

Good sportsmanship is expected of all competitors. As this is not a typical conformation show format NO professional handlers are permitted to exhibit client dogs. If there is a professional handler whom wishes to show their owned dogs that is allowed.

Entrance Requirements for All Classes:

- Dog is minimum of 1(one) year of age.
- Dog has required documentation for class sent in with entry (see below).
- Dog must be registered with the Canadian Kennel Club, American Kennel Club or an FCI Approved Foreign Registry.
- Altered dogs are allowed to enter.
- Sexes will be judged separately.
- Dogs are only permitted to be shown in one class at the show.

In order to facilitate owners with multiple dogs entered in the same class we will be judging dogs in groups of five. Please indicate on your entry if you require dogs to be put in different groups. We will have volunteers on hand to help hold dogs.

Required Documentation:

Titled Classes – copy of title certificate must be included with entry.
